

Review of Portsmouth Markets, for the week ending May 20, 1850.

GENERAL REMARKS.—Since our last issue by inquiry, we learn most favorable accounts from the wheat and other crops. The weather has been fine and still promises fair. River has fallen gradually.

STATE OF TRADE.—We do not remark any decided improvement in business, for the past week, and in some departments it has been decidedly dull. Money is still extremely scarce. We would remark here that full prices are obtained for all the leading articles on sale. We subjoin a few quotations of our market.

Flour and Grain.—Sales of flour during the week have averaged \$5.25, some parcels selling 5 to 10 cents better in quality. A singular feature in the price of flour may be noticed, namely, that it sustains fuller prices now, throughout Ohio, than it does in the city of New York. Flour is heavy in N. Y. at \$5.00 and is usually \$1 higher than in Cincinnati. We note but small arrivals of wheat, and quote first quality at \$1.05. Oats are brought in nearly equal to demand at 37 1/2 from wagon, and 45 from store.

SUGAR AND MOLASSES.—An advance has taken place in these articles, the former has advanced full half a cent and is now 5 a 54c the lb. 5 1/4 a 6c the lb. The latter has advanced 3c per gal. is 28 a 30c. Sugar-house molasses 38c a 40.

RICE.—4c by the tierce.

COFFEE.—With limited inquiry, our quotations remain as last week, say 10 to 11c.

PROVISIONS.—Are firm and look up, sale of 23 bbls Lard for Cincinnati. Mackerel are held at \$8.50 for 3, 10.50 for 2, and 14.50 for No. 1 respectively.

WHISKY.—Full prices have been obtained for whisky, 20 cents for average of sales. May now be quoted at 21 to 21 1/2c.

SALT.—32c per bushel at retail.

Tobacco is firm.—No. 1 6 twist 9c.

CHEESE.—Sales during the week at 6 1/2c in lots and further supplies arriving.

Pig Iron.—We notice arrivals of small lots of pig iron from Scioto and other furnaces to fill orders up canal, at prices not transpired.

## Obituary Notice.

ELLIS CHANDLER, who was among our most aged citizens, died on the 11th May, 1850, at the residence of his son, C. P. Chandler, Esq., Portsmouth, Ohio. The deceased was in his seventy-ninth year.—He was among the earliest settlers of the French Grant, in this county, having emigrated hither in 1793. This brief notice of the deceased is scarcely necessary here as he was universally known to the old settlers and others, and always acknowledged an honest man, "the noblest work of God." But there is another view of his character which shone pre-eminently, and is above all praise. He was a meek and lowly follower of Jesus Christ, having been a member of the M. E. Church for many years. The departed died in great peace, notwithstanding he was for many years indeliberately afflicted. But happily the toils of life, both bodily and mentally, have terminated forever; the immortal no longer lingers in its earthly tabernacle, but has sped its flight to the bright abodes of the just made perfect, and now dwells in that delightful "spirit land," where,

"No chilling winds, nor poisonous breath, Can reach that beautiful shore;  
Sickness and sorrow, pain and death, Are felt and feared no more."  
Died on the same day, NANCY, daughter of William and Rachel Morrow, and grand daughter of said deceased. T.

## SANDS' SARSAPARILLA N. YORK

IN QUART BOTTLES, For Purifying the Blood, and for the Cure of Scrofula, Rheumatism, Stomach Ulcers, Dyspepsia, Salt Rheum, Fever sores, Erysipelas, Pimples, Biles, Mercurotic Diseases, Cutaneous Eruptions, Liver complaint, Bronchitis, Consumption, Female complaints, Loss of Appetite, General Debility, &c.

THE RECORD of MEDICAL SCIENCE, acknowledging as they do with ample testimonials to the value and efficacy of different medical agents, scarcely furnish a parallel with the results recorded from a multitude of living witnesses to the great worth of Sands' Sarsaparilla. The remarkable cures of a great variety of diseases effected by its timely administration, furnish conclusive evidence of this fact, and the experience of fourteen years has won for it a deserved popularity that no other preparation ever attained. Its extensive use throughout the world, and the numerous unsolicited testimonials received by the proprietors, stand as beacon and landmarks to the suffering and as evidence holding forth the inviting light of encouragement—do not despair. Thousands and tens of thousands who suffered without hope, groaning day and night under pain and anguish, beyond the power of language to convey, have not only been relieved but permanently cured. It has been approved by the medical faculty, introduced and extensively used in hospitals, under the watchful eye of physicians, with the happiest results. The preparation being entirely vegetable, renders its administration safe to the most enfeebled frame.

The following testimonials are selected from among the multitude of those who are daily receiving; and for further confirmation, the reader is referred to the family recipe and medical almanac, furnished gratuitously by all our agents:

New York, July 27, 1849.  
Messrs A. B. & D. Sands—Gentlemen: Words can but feebly express my feelings in conveying the pleasing intelligence that my wife is restored to perfect health by the use of your invaluable Sarsaparilla. She was afflicted with a severe cutaneous disease that covered the whole surface of the body, so that it would have been impossible to touch any part that was free from the humor; the head, face and body were covered with scales like those of a fish; the hair fell out in large quantities, and walking caused the most excruciating agonies, as it affected the joints more severely than any other part. She suffered also a long time from the effects of the liver, connected with general debility, and a prostration of the nervous system. Physicians, both in Europe and America, had exhausted their usual remedies, without effecting a cure, or scarcely affording relief; and the best medical skill was unavailing, until she happily used your sarsaparilla. The disease was pronounced salt rheum, but her whole system internally and externally, was altogether deranged; but so complete has been the cure, after using the sarsaparilla for six weeks, and taking in all less than one dozen bottles, that she now enjoys better health than for years previous to taking the sarsaparilla. My object in making this communication is, that all who have suffered as she has, may know where and to whom to apply for relief, (and that not in vain), as a complete cure will be the result. My wife unites with me in heartfelt thanks; and believe me, gentlemen, yours sincerely, FERRIER NAZER, 32 Nassau st.

N. B.—For a corroboration of these facts apply to Mr. H. McCune, at Messrs. Bowen & McNamee's store, Broadway, N. Y.

City and county of N. Y.—FERRIER NAZER hereby swears, that he deposes and says that the foregoing statement, to which he has subscribed his name, is true and accurate, to the best of his knowledge and belief.—Sworn and subscribed, this 27th day of June, 1849, before me, C. S. WOODHULL, Mayor.

For sale by Shackleford & Critchton, Portsmouth, O. Price \$1 per bottle.

NOTICE.—My wife America Thomas has left my bed and board without any just cause. All persons are therefore hereby notified that I will pay no debts of her contracting on and after this date. JOHN THOMAS, May 20, 1850.—7w4\*
